Annual McGregor District Scout Meeting Held

"Camping is the framework of Scouting", Rick Clark, executive regional commissioner told those in attendance at the Lake McGregor banquet in Champion last Thursday, "and the importance of the organization to this end cannot be over-emphasized".

The annual meeting was held in the Champion Community Hall where 55 leaders, association members and honored guests had gathered under the chairmanship of

the district president, Pat Roe.

Kjeld Pederson of Lomond, district commissioner, reported on the winter-camp held at Waterton, the jamboree at Sylvan Lake which 51 Scouts from this district attended and the annual camporee at Johnson's Creek. He then presented Cub leader, Ron McGrail with his warrant of appointment and Scout David Sande with his Religion in Life award. Training certificates were also awarded to a number of Scouters and association members.

A short address was given by Rick Clark on the program available to Scouts at the present time and what work is being done to further their interests.

Farley Sherwood of Barons, regional representative, congratulated the district for the wonderful efforts put forth in getting the boys to jamborees and training camps. "The region is desirous", he told the gathering, "to help at any time a problem arises."

The Queen's Scout Ceremony, which was held in Medicine Hat on Jan. 18, was reported on by Martin Matlock. Fifty-four Scouts in all received honors from Lt. Gov. J. Percy Page, including eight from the Lake McGregor district.

The new officers for the following year, elected by acclamation, were as follows: President, Skeez Christensen; secretary-treasurer, Terry White; 1st vice-president, Glen McFarland; 2nd vice-president, Martin Matlock; members of board, Bill Brown, Mrs. Bob Hubka and Len Volsey; district commissioner, Kjeld Pederson; assistant district commissioner, Jerry Wylie.

Lief Pederson of Lomond, who attended a Rover camping trip to Mexico last summer, showed slides of his most memorable experience. The meeting concluded with Rick Clark showing slides along with a very full and detailed report on the new Scout-Cub Impassa camp west of Pincher Creek.

Problem Drinking Will Be Topic Of A.A. Meeting

Problem drinking is the main topic of the first Alcoholics Anonymous group public meeting, Sunday, Feb. 9 at 2:00 p.m. in the Anglican Church Hall. The meeting will introduce the general public to the AA alcoholic prevention program.

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; they are self-supporting through their own contributions. AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Their primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Hockey Tournament Saturday

In recognition of Minor Hockey Week in Canada, which is just over, the Vulcan Junior Hockey Association is staging an all-day hockey tournament this Saturday at the local arena.

Teams from Milo, Lomond, Champion, Nanton and Vulcan will compete in seven games, the first beginning at 10 a.m.

The day's schedule follows:
10:00 a.m.— (11 and under) Chicago-Toronto.

11:15 a.m.— Champion-Vulcan (girls).

12:30 p.m.— (13-14) Lomond-Vulcan.

2:15 p.m.— (13-14) Milo-Champion.

4:00 p.m.— (11 and under) Canadians-winner of event No. 1.

6:30 p.m.— (13-14) winners of events No. 4 and 5.

8:15 p.m.— (15 and over) Nanton-Vulcan.

Another helpful supporter of junior hockey is the Vulcan Branch Royal Canadian Legion, which recently donated \$85 to the Association.

In junior hockey circles another team has evolved from the younger crowd. In addition to the Canadians, Maple Leafs and Black Hawks a new team, the Red Wings, has been formed. Bob Johnston has charge of these boys. 11 and 12 years old while Vernon Jordan, Stan Wickstrom, Bob Gerding, Rev. V. Cowell and Rev. D. Sharpe help with the others.

The Red Wings played against Milo here last Sunday and closest estimate of the score was 12-10 favoring the visitors.

Red Wings lineup: G. McInenly, G. Nolan, B. Carruthers, F. Ful-

High School Drama Festival Here March 14

(By CCHS Reporter)

This year, due to the success of last year's Drama Festival held at Coaldale, many more high schools have entered one-act plays for adjudication. Therefore two centres have been established for these festivals. They will be held in Blairmore and Vulcan.

In the auditorium of the County Central High School on Saturday, March 14, this gala event will be held. There will be plays staged by high school students from Taber, Coaldale, Coalhurst, Nobleford, Vauxhall, Claresholm and Vulcan in Vulcan that day.

There will be three sessions, morning, afternoon and evening. The price for each session is very moderate and good attendance at each session is hoped for. The adjudicators will be from the Cultural Aid Department of the provincial government. It is hoped that the populace of our community will attend and give its support. This is a great honor for Vulcan to be host for such an occasion.

Adult help is needed to set up lighting, stage sets and equipment. We will also need to borrow from anyone who can loan various items of furniture for these plays. If anyone can and will loan items for stage or assist in moving one set for another, it would be greatly appreciated if you would phone Mr. Mumby either at his home or the high school stating your offer of help.

Let us show the various young actors and their directors how well we can co-operate and how friendly and helpful the people of our community are. Further information will be published from time to time.

FUA Board Meet With Prov. Cabinet

C. J. Versluys of Champion, FUA director, District 12, attended a meeting of the Central FUA Board in Edmonton early last week.

He reports many important matters were dealt with. It was decided to accept the principles advocated by the committee on farm organization. This committee, consisting of Arnold Platt, Leonard Nesbitt and Senator Donald Cameron, was set up by the Alberta Federation of Agriculture to study the structure of farm organizations in Alberta. The terms of reference, in broad principle, asked that recommendations for improvements be included in the report if such appeared in order.

The FUA annual submission to the provincial cabinet was made Jan. 29, with the complete FUA Central Board attending. The brief contained requests for action on the following subjects: More effective bonding of livestock dealers, broadening of market legislation and amendments to the Farm Machinery Act. More realistic penalties for cattle rustling were discussed as were crop insurance, additional soil testing facilities, highway safety and railway line abandonment.

Mr. Versluys reports that a decision was reached to set up county teams across the province as rapidly as resources permit. Stewart Douglass of Vulcan is the director for Vulcan County.

Mr. Versluys was chosen to head the Provincial Membership Committee for the 1964 campaign.

Fitting in with Vulcan and District Fish & Game Association's fly-tying club is the above photo showing Fish & Game president Glen Dahl, right, receiving the Calgary Hook and Hackle trophy from Bill Lethby, charter member of the city club and a member of Vulcan Fish & Game. The trophy, put up by Mr. Lethby in 1955, while he was in Calgary, is awarded yearly to the Hook and Hackle member catching the biggest fish on a fly made by the fisherman or

a club member. Glen copped the trophy last year with a 17" Rocky Mountain Whitefish caught on the Highwood River.

The Hook and Hackle Club, organized in 1952, recently honored Bill for his years with the group by presenting him with an honorary membership.

Anyone interested in resuming fly-tying sessions here in Vulcan for the remainder of the winter should contact Montie Findlay.

Credit And Savings Union In 3rd Year of Operation

Cliff McArdle was elected president of the Vulcan Savings and Credit Union at its annual meeting held Jan. 22, in the Legion Hall. He succeeds Dave Paton who served in this capacity last year.

Vice-president is Clifford Weber and Gordon Brown is treasurer. A secretary is yet to be appointed.

As it enters its third year of operation the Savings and Credit Union has the following officers: credit committee—Alf Sales, Ed Kehr, George Fath; supervisory committee—A. Thomas, A. Larkins, Irwin Brown; educational and publicity committee, E. Rutchsky, J. Massam, V. Fisher.

Directors are the president, vice-president, Roy Fulton, Montie Findlay and D. Paton.

Seventeen members, representing a total of 140, attended the meeting to hear reports from the various committees and also were addressed by Joe Plant, field representative of the Credit Union League of Alberta, who described the over-all aspects of the Credit Union and the benefits which are available to members.

The local Credit Union is currently in a drive for more members and Gordon Brown has been appointed to handle enquiries in this regard.

Anglican Church Officers Elected

The annual meeting of St. Aldhelm's Anglican Church was held on Monday, Jan. 27, at 8:00 p.m. Before the meeting the ladies Guild provided the congregation with a delicious supper.

It was found that the Sunday school had an increase in attendance during 1963, and appreciation was shown for the work of the Sunday school staff. The fine work of the Ladies Guild was also put before the congregation.

The officers for 1964 are as follows: Rector's warden, Herbert Mumby; people's warden, Norman Hiltz; secretary-treasurer, William Babuk.

Plebiscite On Hog Marketing Planned By FUA

D. H. Galbraith and C. J. Versluys attended an FUA-sponsored work shop on hog marketing in Edmonton, Jan. 30-31.

Action is being taken by the FUA executive to carry out the directive of the last provincial convention, that a hog marketing plebiscite be held in 1964.

Similar action is contemplated by the Saskatchewan and Manitoba Farm Unions.

Mr. Versluys reports that a review and study of the hog marketing industry indicates that early action by the hog producers is required if they desire to retain control of their industry, rather than being vertically integrated as has been the case of the producers of poultry.

It appears that if current trends are allowed to continue, uninterrupted, independent producers of market hogs will have been effectively eliminated at an early date, he said.

Study of the Restrictive Trade Practices Commission report reveals that in 1958 only 14.4% of Canadian slaughter hogs were delivered to the public market. There is no evidence that this trend is currently being arrested.

A series of work shops and meetings will be held throughout the province to acquaint hog producers with all the ramifications both pro and con as to types of action open to producers if they desire to retain control of an industry that is facing the threat of being integrated by the large chain stores and others, Mr. Versluys announced.

Business uses advertising to maintain and increase its outlets for goods. Unless such outlets are maintained and increased, the income on which taxes are based will not be forthcoming.

Agricultural Short Courses To Be Held Next Week

Three Agricultural Short Courses, at three different points in the county, are planned for the week of Feb. 10-14. The courses are sponsored by the Alberta Department of Agriculture in co-operation with local organizations at Vulcan, Lomond and Arrowwood.

At Lomond on Monday, Feb. 10, with the Lomond Lions Club as the co-sponsoring body, the short course will start at 9:30 a.m. with a joint session for men and ladies followed by a luncheon in the community hall at noon. Father-Son Agreements will be discussed at the morning session and a film, "The Decision" will be shown.

Clarence Roth, District Agriculturist, will be chairman of the men's afternoon session and subjects dealt with will include Fuels, Oils and Additives; Corral Plans and Livestock Handling Equipment; and Wintering a Cow-Calf Herd. At the Ladies' afternoon session, Mrs. H. J. Crawford will be chairlady and subjects will be Let's Decorate Our Cakes; How Green is Your Thumb; and The New Fabrics.

At Vulcan, on Tuesday, Feb. 11, the Chamber of Commerce is the co-sponsoring body. At the morning session, for both men and ladies, subjects will be ARDA—It's Application at the Community Level and Electrical Hazards on the Farm and in the Home. The annual Chamber of Commerce meeting and luncheon, held in conjunction with the short course, starts at noon and guest speaker will be Reuben Hamm of Calgary.

At the afternoon session, with Clarence Roth as chairman, subjects will be Land Assessment; Herbicides—Old and New; and Credit for Your New House.

Mrs. H. Roebuck will be chairlady of the afternoon session for the ladies and subjects will include Have You Made Your Will? How Green is Your Thumb; and The New Fabrics.

At Arrowwood, the short course will be a two-day affair, with the Arrowwood Lions Club and the Arrowwood FWUA as co-sponsors. Registration starts at 10:15 a.m. on Thursday, Feb. 13, and a talk on Advances in Communications will be followed by a noon Luncheon with Ed Whalen of Calgary as guest speaker.

The men's session starts at 2:00 p.m. with Roy King as chairman and subjects will be Agricultural Machinery Administration; Soil and Feed Testing; and Timing Your Weed Control. Mrs. Doug Phillips will be chairlady of the ladies' session which starts at 2:15 p.m. and topics will be Mould a Better Figure and Work of the Consumers Association of Canada.

On Friday, Feb. 14, at the joint morning session there will be a film on Cuba and a talk on Impressions of Cuba by Bill Harper.

Pobst Rink Wins Highlanders 'Spiel

The annual local bonspiel of "A" Company, The Calgary Highlanders, was held at Vulcan last Sunday with eight rinks competing.

Winner of the 'spiel was the A. Pobst rink composed of A. Pobst (skip), Mrs. G. Belle, R. Train and D. French.

In second place was the rink of Vic Engen (skip), J. Douville, J. Douville, J. Murdoch and E. Parslow.

In third place was Ron Brinton's rink, with Mrs. M. Burgess, J. Beatty and R. Bexte.

of the FUA, Edmonton. Let's Stop the Wind and Improve the Grounds will be the subject of another talk, followed by the noon luncheon.

At the men's afternoon session on Friday, chairman will be Dr. Herb Chester of the Lethbridge Research Station and the subjects of interest to cattle raisers, will be Problems in the Effective and Safe Use of Systemic Organophosphates on Livestock; Vitamins and Minerals for Beef Cattle; and Toxicity of Feeds for Beef Cattle.

At the ladies' afternoon session, Friday, chairlady will be Mrs. Bob Clements and films on Rheumatic Fever and Strokes will be shown at 1:30 p.m. Hair Styles for 1964 and Beating the High Cost of Living will be the subjects dealt with by guest speakers.

John Mueller Dies Suddenly At Washington

Vulcan friends will regret to hear of the death at Washington, D.C., on January 24 of John A. Mueller, husband of the former Marjorie Hill of Vulcan.

Born in Illinois in 1917, Mr. Mueller was a sergeant in the United States Marine Corps for five years, was wounded in action and was in the death march of Bataan. He was employed as a civilian industrial specialist with Headquarters, United States Air Force, at the time of his sudden death from a heart attack.

Besides his wife, who is the eldest daughter of Mr. and Mrs. W. B. Hill of Vulcan, he is survived by his mother and a sister, both in Wisconsin. Funeral services were held at Arlington, Virginia, on January 28, and interment was at San Diego, Calif.

Support Given Junior Hockey Association

Money donated by the Elks, Lions and Kinsmen has enabled several items of equipment to be purchased for teams in the Junior Hockey Association. A set of sweaters and socks has been ordered and when it arrives the equipment needs of the teams will be well looked after for this year and only minor purchases are anticipated next year.

The Ensign Athletic Association also made a donation of 12 sweaters and toques which are to be used by Harold Boutland's girls team.

At the end of the season four young players will be presented with trophies for sportsmanship which have been donated by Richardson & Gould Ltd.

The support given by organizations and businesses is greatly appreciated by the Junior Hockey Association.

Ladies' Rink Wins At Milo 'Spiel

The Laura Houlton rink with Thelma Haverly (skip), Laura Houlton, Gwen McKay and Viola Mensinger filling out the foursome, took in the Milo Ladies Bonspiel last week. They won the Second Event and were second in the First Event to compile a 7 wins 1 loss record.

The Milo Men's Bonspiel is on this week and two Vulcan rinks skipped by V. Haga and G. Atkinson are taking part.

WOODCHUCKS FIND HUMANS USEFUL

The woodchuck, or groundhog, is a heavy, broad-headed, grizzled animal of the woods and fields and is found throughout Eastern Canada, according to the Encyclopedia Americana. The replacement of wilderness by farmland has been a boon to the woodchuck. Meadows and gardens supply it with more and better food than Nature unaided does, while the considerate human race also thins out such groundhog persecutors as wildcats, foxes, weasels, snakes and birds of prey.

County Committee Meetings Held

The Statutory Meeting of the Council of the County of Vulcan No. 2 was re-convened on Friday, January 17, 1964, at 10:00 o'clock in the forenoon. Those present were Jack Deltz, Reeve, Ivan Haga, Deputy-Reeve, J. M. McKay, Frank Thurber, Earl Erickson, Frank Hubka, A. W. Ulrich, R. S. Irwin, A. McAllister and D. Mc-Niven. Mr. Willard was absent from the meeting.

A delegation composed of Messrs. Ruggles, Sokvitne and Steeves interviewed the council in respect to improving a watering situation on the SW 17-14-20-1. The delegation requested financial assistance to help provide a 10,000 gallon storage tank, county machinery to provide a suitable site for the tank, and other improvements to make the water available for public use. Councillors were sympathetic to the request and promised the delegation to assist in every possible way; first to contact the Prairie Farm Rehabilitation Office in Medicine Hat and to obtain details for the next meeting of the Agricultural Service Board and the council.

A letter from the Village of Milo asking the council's consent to annexation of a small parcel of land was read and discussed. It was moved and carried that the request be approved.

A request to subdivide the SE 19-14-24-4 was discussed. It was noted that Mr. McLeod was selling 40 acres of the east side of this quarter. It was moved and carried that the request be approved.

By-law No. 428, a by-law of the County of Vulcan No. 2 to au-

thorize the purchase of two GMC half-ton trucks from Central Garage (Vulcan) Ltd. for the sum of \$4,618, was introduced, read three times and passed.

By-law No. 429, a by-law of the County of Vulcan No. 2 to authorize the purchase of one used Caterpillar No. 70 Scraper, one new Caterpillar No. 127 Cable Control Unit, and one Welder, was introduced, read three times and passed.

Mr. McKay reported to the council in respect to school matters and noted that the application for the debenture was being made at this time, and that there had been no request for a vote of the proprietary electors. The school committee had arranged with the architect to go over the plans in detail on February 10th, so the

members would be fully informed in respect to the new building.

Mr. McKay also reported that the school committee is now commencing salary negotiations with the Vulcan Local ATA for the 1964-65 term.

Councillors decided to hold the March meetings as follows: School Committee, March 16; Municipal Committee, March 18; County Council, March 20.

The secretary was instructed to ask about the legality of paying a retaining fee for poundkeepers. This resulted from a discussion held by the council in respect to the pounds in the county and other matters pertaining to the Domestic Animals Act.

25th ANNIVERSARY

Mr. and Mrs. John Ivers of Milo assisted by Mr. and Mrs. William Watt, entertained at a family dinner on January 25, in honor of Mr. and Mrs. Everett Hermann, whose 25th wedding anniversary was on December 30. As Mr. and Mrs. Hermann and Stephen were visiting in Texas at the time, the dinner was held at this later date. A beautiful decorated cake centered the table and the honored parents were presented with a silver cream and sugar bowl with matching tray to commemorate the occasion. Mr. and Mrs. Hermann were also guests of honor at the French Quarter in San Antonio on their anniversary.

HOWLETT - VALLET

A quiet wedding was solemnized on Saturday, January 25, 1964 at 3 p.m. in St. Georges Anglican Church in Stettler, Alberta, when Rev. R. Hunt united in marriage Janice Mildred, second daughter of Mr. and Mrs. T. H. Howlett of Red Willow to Wayne Edwin, son of Mr. and Mrs. J. Vallet of Donald. The organist was Mrs. Mortimer of Stettler.

The bride given in marriage by her father, chose an afternoon sheath dress of white embroidered brocade featuring a round neckline and three-quarter length sleeves. Her chapel length veil was held in place by a headpiece of sequins and net. She carried a white prayer book with a cascade of red sweetheart roses falling from it. The bride's only attendant was her sister Miss Trudy Howlett who wore a pink wool sheath with white fur trim and matching headpiece. Her corsage was of white carnations. The best man was Karl Siderisch of Red Willow.

The bride's mother chose a wool sheath in peacock blue with black and white accessories and her corsage was of white carnations.

The groom's mother wore a blue crepe afternoon dress with pink and black accessories and her corsage was of pink carnations.

A reception for the immediate family followed at the home of the bride's parents, where places were laid for 21. The tables were centered with a wedding cake which was beautifully decorated by Mrs. R. Rushton of Red Willow. Rev. R. Hunt asked the blessing.

The toast to the bride was given by her uncle, Wm. Reid of Red Deer, who also read a poem written for Janice when she was two, by the late Mrs. Wm. Buchanan of High River.

Following the reception open house was held from 7-9 followed by a wedding dance in the Red Willow Community Hall.

The couple left on a honeymoon to points in Alberta, Saskatchewan and the United States. The bride's going away dress was a powder blue knit with white accessories. Her corsage was of red roses.

The happy couple will reside on the farm near Donald.

Out-of-town guests were Mrs. D. Sargeant, the bride's aunt of Winnipeg and Mr. and Mrs. Wm. Reid and Richard and Mr. and Mrs. Ross Best all of Red Deer.

MOSSLEIGH

Mr. and Mrs. Wayne Brown of Dawson Creek, B.C., and Mrs. Viola Bisle of Calgary were recent guests at the Lloyd Brown and John Christie homes.

A large crowd attended the wedding dance for Mr. and Mrs. Donnie Thurber (née Selma Groeneveld) last Friday.

Mrs. Eva Elliott is home after spending a few days in the Vulcan hospital.

Mr. and Mrs. Ysbrand Vander Linder and family of Bow City and Mrs. Edythe Piehl of Brooks were Sunday guests of Mr. and Mrs. Loring Piehl.

The regular meeting of the Community Club was held last Saturday in the club room. A card party was planned for Feb. 15, and a dance to be held in March. The social committee is to obtain the orchestra and decide upon the date for the dance. The anniversary dance was discussed. Four tables of whist were played.

When Buick builds a LeSABRE--

A GENERAL MOTORS VALUE

Buick LeSabre 2-door Sport Coupe

Buick builds a high-priced car, and puts a low price on it

Lots of cars are in LeSabre's price class, but that's where the resemblance ends. For instance: Does anybody else in LeSabre's class treat you to that gentle Buick ride or impressive Buick performance and new gas economy? No. And who else gives you 15-inch wheels, finned aluminum front brakes, extra cushion-

ing for middle-seat travelers, and separate heat ducts and controls for the rear seat? Right again: Nobody in LeSabre's field but LeSabre. If all this makes you think a LeSabre would look awfully nice in your garage, you should see how nicely it fits a budget. Who to see about it? Your Buick dealer. Who else?

ABOVE ALL, IT'S A BUICK

I would like to express my appreciation to Dr. Koziol and the staff of the local hospital for the excellent care I received. My sincere thanks to all my friends, to the Rebekahs, Odd Fellows and the Anglican Guild for the cards, flowers, letters, gifts and visits while I was hospitalized here and in Calgary. Such thoughtfulness can never be forgotten. —Tommy Brooks, Vulcan 26-1x

BAND NEWS

(By Lloyd Jones)

For many months we have been very diligently searching for the music that belonged to the former "Vulcan Citizens Band". This week our efforts were rewarded, when the complete supply was found back in a corner covered with dust in the upstairs of the Revelstoke Lumber yard in Vulcan. We presume this music found its way there through the late Larry Dawson who used to operate the premises, and who was an ardent bandsman. As the premises changed hands, it was no doubt moved and finally lost sight of, not realizing the value of it. There are 87 selections of music including marches, overtures, selections of all kinds, and we would estimate that this "find" is worth \$500 or \$600 to our band library.

On March 13, the band will be playing for an Irish Concert in Champion, sponsored by the Champion UCV.

We are glad to be of service to the community. That is the purpose of our existence. We want to supply an outlet for the musical talents of our people. If you have an engagement at which you want to use the band, please let us know in time so we may prepare properly, and also so we may arrange our program ahead.

County Committee Meetings

(Continued From Front Page)

School Committee of the County of Vulcan No. 2 was held on Monday, January 13. The meeting convened at 10:05 in the forenoon. Those present were: J. M. McKay, F. N. Thurber, Earl Erickson, George Moses, A. McAllister and R. O. Bertrand, committee members. Guy E. Voisey, member from the Town of Vulcan, was absent due to illness. Also present at the meeting were E. K. Hawkesworth, superintendent, and D. D. McQueen, secretary-treasurer.

J. M. McKay was unanimously elected chairman of the committee for the ensuing term and F. N. Thurber was unanimously elected deputy-chairman for the ensuing term.

Don Stevens of J. Stevenson & Associates, Architects, Calgary, was present at the meeting and discussed with the committee matters relating to the tendering of the school addition. It was pointed out that the time of receiving protests against the passing of the by-law would not expire until January 15, and it was thought advisable that no advertisement calling for tenders be inserted until after that date. It was moved and carried that in the event there is no request for a vote on the by-law on the time specified, that the architects proceed with advertising for tenders to be received until noon on Friday, Feb. 7, 1964, at the office of the architect, 344-12 Ave. SW Calgary, and that the tenders be opened by the school committee at the February meeting to be held on Monday, Feb. 10, 1964, advertising calling for tenders to be inserted in the Calgary Herald and the Lethbridge Herald.

It was moved and carried that the school committee meet with Mr. Stevens in the county office on Monday, Feb. 10, at 10:00 o'clock in the forenoon, for the purpose of going over the working drawings and specifications in detail, and finally approving the plans.

The secretary read a letter from the secretary of the Vulcan Local ATA, requesting a meeting with the school committee to begin salary negotiations. It was moved and carried that the teachers' committee be invited to attend the regular meeting of the school committee on Monday, Feb. 10, at 4:30 in the afternoon.

The secretary read a letter from Western School Bus Sales Ltd., offering their contractual bus service. This matter was discussed, and it was moved that the County invite a representative from the company to attend a meeting and

discuss their services. The motion was put and defeated.

Committee members discussed the matter of salary negotiations and the general opinion was that the committee should consider proposals which should be included in the salary agreement, and that these would be discussed at the next meeting.

Resignations of Mrs. Jessie Sharpe and David Chase from teaching positions in the county were accepted with regret.

It was moved and carried that an extra \$100 grant be provided for library books in the new room at Arrowwood School.

It was moved and carried that the County pay the \$25 fee to the Southern Alberta Drama Group and that the high school be permitted to submit a play.

It was decided to invite A. H. Murray, Superintendent of the Blackfoot Indian Reserve, to attend the committee meeting on February 11, to discuss matters relative to the education of Indians at Arrowwood.

A letter from the Secretary of the Lomond Home and School Association in respect to the acoustics of the Lomond School auditorium, was read. This matter was left in abeyance until consultation could be held with Mr. Stevens, Architect.

MUNICIPAL COMMITTEE MEETING

The regular January meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, Jan. 15. The meeting convened at 10:00 o'clock in the forenoon. Those present were Ivan Haga, Frank E. Hubka, M. Willard, A. W. Ulrich and D. McQueen, committee members. Also present at the meeting were J. O'Reilly, M. Dersch, R. Brown and D. D. McQueen, secretary-treasurer.

Ivan Haga was unanimously elected chairman for the ensuing year.

Henry Hilz interviewed the committee in respect to damages to his crop due to road construction last year. It was moved and carried that the committee authorize the payment of \$75 damages to Mr. Hilz.

Committee members held some discussion over traffic yield signs which had been erected at various points in the south-eastern part of the county between Champion and the Coal Mine road, and other locations. It was pointed out that the yield signs were in the same category as stop signs and required

HOME BUILDING AND REMODELLING SCHOOL

TUES. & WED. FEB. 25 and 26
10:00 a.m. to 4:30 p.m.
VULCAN LODGE HALL

These informative two days are under the direction of Miss Dianne Hammer, home design specialist and Wayne Ulrich, extension engineer. This school is designed to give folks who are building a new home or who are remodelling their present home, a chance to hear what considerations should be made when planning a major home change.

The first day will cover three areas, namely planning the farm home, construction principles and exterior design. Subject matter to be covered will include: cost considerations, floor plans, concrete, properties of wood, insulation, doors and windows and numerous other related topics.

The second day has information on utilities, finishing the interior and exterior design. Even those with completed homes will find this day interesting! What lady doesn't dream about a new floor covering, drapes or setting up a new utility room.

Be sure to circle Feb. 25 and 26, on your calendar as the date for the home building school. If you can't attend all the sessions, try taking in part of a day anyway, for you'll find Miss Hammer and Mr. Ulrich most interesting.

ed special by-law legislation to give authority to erect the signs. It was regularly moved and carried that the committee recommend to the county council the passing of a by-law under the provisions of the Vehicles and Highway Traffic Act to authorize the erection of the signs.

It was moved and carried that the committee authorize the payment of \$40 to Mr. C. J. Northcott, covering crop damage on the NE 3-18-22-4.

HIGH SCHOOL HI-LITES

The students voted by secret ballot on Jan. 24, to determine the styles of the school sweaters and jackets. Discussion regarding colors of same is scheduled for the next Students' Union meeting.

The theme of this year's semi-formal Valentine Ball is "Sweetheart Serenade." The "Raymond Canadians" have been booked for this event. Invitations will be sent out this week.

Drama 10, directed by Mrs. Graham, will enter the play, "The Secret Weapon" in the Drama Festival scheduled for early spring.

The importance of English in the high school program is recognized by virtue of its inclusion in every year of the high school program. Beyond the high school level, as well, it is a required subject for all students, regardless of the field of study in which they are enrolled.

It is acknowledged that English is in many respects pedantic, yet there is a pronounced movement towards fashioning the student's study of English in such a way that it becomes a tool for creative expression. Within everyone there lies imaginative powers for which creative writing is the natural expression. But just as mathematical tables are necessary for further study in mathematics, so too is the oft times tedious learning of orthography and grammatical principles requisite for all those who would attempt to communicate intelligently with their fellow man. However, once hurdled, this study becomes an invaluable aid in creative expression.

Just what do we mean by the term "creative expression?" Joseph Conrad, in just three sentences, explained what it meant to him:

"My task which I am trying to achieve is, by the power of the written word, to make you hear, to make you feel — it is, before all, to make you see. That — and no more, and it is everything. If I succeed, you shall find there, according to your deserts, encouragement, consolation, fear, charm — all you demand — and, perhaps, also that glimpse of truth for which you have forgotten to ask."

In furthering this aim a program of guided reading is also essential. This is book report week at school. The half-way mark has been reached in the leisure-reading program. Five more to go, and the quota of ten books will have been reached. From our library of some five thousand books, the students have a wide choice. However, selections are made within certain broad categories, and pupils are

advised not to confine their reading to any one category. There is a wide field, ranging from science fiction to biography, from which they may choose. An appraisal of this integral part of the English course shows that the majority of students enjoy reading and also that good reading habits have been established.

JUNIOR F.U.A. REPORTS

Buffalo Hills Jr. F.U.A.—

The February meeting of the Buffalo Hills Jr. F.U.A. at the home of Sandra Oldfield was held on Jan. 25 due to "Big Time Wrestling" on Feb. 1.

Plans for "Big Time Wrestling" were organized. It was decided to wait until a more suitable season to make farm tours. Following the resignation of Frances Kinch on correspondence and Donna Williams on entertainment new officers had to be elected. They are: Joan Papp, correspondence; Diane Gooch, entertainment.

Mrs. Scott gave an interesting and informative talk on farm planning.

After the meeting everyone joined in games and dancing and the hostess served a delicious lunch.

An executive meeting was to be held at Joan Papp's home on Feb. 2. The next meeting will be on March 7, at the home of Joyce McCallum.

POPPED ITS TOP

Mexico City is only about 40 miles from the volcano known as "Smoking Mountain," or Popocatepetl in its original Aztec Indian. Though constantly ejecting smoke and ashes, Popocatepetl has not erupted since 1540. The mountain stands 17,887 feet high, considerably more than Mont Blanc, according to the Encyclopedia Americana.

TCA ORDERS NEW SHORT-TO-MEDIUM RANGE JET—Following the most exhaustive evaluation program in the company's history, Trans-Canada Air Lines has announced it intends to order six Douglas DC-9 short-to-medium range jet aircraft. The twin-engined jets, with motors mounted at the rear, will carry 60 economy class and 12 first class passengers at speeds of 560 miles an hour and at altitudes of up to 30,000 feet. They are expected to go into service with TCA early in 1966, supplementing the airline's fleet of DC-8 jets and turbo-prop. Vanguards and Viscounts.

District News

CARMANGAY

Attending the Lake McGregor District Annual Banquet meeting were Mr. and Mrs. Stan Lyckman, Mr. and Mrs. Alvin Anderson, Mr. and Mrs. Bob Hubka, Mr. and Mrs. Roderick Minty, Adolph Shumaker and Wallace Miller.

Glen McFarland has accepted

the position of 1st vice-president on the Lake McGregor District Council and Mrs. Rosella Hubka was re-appointed to the district council.

Mrs. Rod Minty attended an organizational Akela Club meeting for all Pack Scouters of the Lake McGregor district at Champion recently. It was decided that meetings will be held every fourth Thursday in the Champion Hall at 8:00 p.m.

Mrs. Henrietta Teskey arrived home during the week from spending the last few months visiting relatives in Detroit and Ontario.

Misses Cheryl Minty and Lillian Letal left on Sunday for Calgary where they will enroll in the nursing aide course.

Mr. and Mrs. Earl Kaiser and family accompanied by Mrs. Paul Kryzanowski were Edmonton visitors this past week.

Many people enjoyed the Gymkhana show which was put on by the Scouts and Cubs of Lake McGregor district in Champion on Saturday.

CUB PACK NEWS

Douglas Kryzanowski is a new chum in the pack and Randy Ross and Randy Lyckman were recently invested into the pack.

Kelly Greene earned his homecraft badge and Dennis Greene, his houseorderly badge.

Larry Lyckman is training as a Cub instructor and Mrs. Hazel Lyckman consented to help with the pack every second week.

ANGELICAN GUILD

The Anglican Guild held its first meeting of the New Year at the home of Mrs. McIntyre. Vice-president Mrs. Alice Knight was in the chair with Mrs. Lenora Baldwin acting as secretary.

The annual report for 1963 showed another successful year; the highlight being the dedication of a new altar and the Whitmarsh

memorial organ. It was felt that efforts should continue in procuring a more suitable memorial plaque for the church.

Several get-well and sympathy cards were sent during the last two months. Mrs. Lehto will do the church cleaning for February. As there were not enough members present to elect new officers, it was decided that Mrs. Baldwin would carry on as president for the time being, with Mrs. McIntyre acting as secretary-treasurer until Mrs. Nielson's return.

The rector, Rev. Cowell, spoke to the meeting on the true meaning of Lent, and mentioned ways in which the members could best observe it. A special Easter offering will go to further mission work in East Africa.

Refreshments were served by the hostess at the close of the meeting. Mrs. Collier will be hostess at the February meeting.

QUEEN DRAMETTES

"There'll be a hot time in the old town tonight," and that is for sure when the Queen Dramettes and their friends present their next program on April 17. The Transcontinental Bus of Minstrels will be coming to town complete with end-men, snappy jokes, minstrel chorus and band. Also featured will be novelty numbers and two short comedy plays entitled, "Those Land-ladies" and "Alexander Ambles In."

It is hoped that Carmangay and district will join into the spirit of the whole thing and plan to attend en masse. The whole deal will be played in black face and there will be a cast of about 25 people under the direction of Mrs. Barbara Hwozdecki.

Rehearsals are being held now and if the show is as much fun as rehearsals, it promises to be the best show that the Queen Dramettes have presented to date.

TRAVERS

Mrs. Bertha Soderquist of Blackie is visiting at the home of Mr. and Mrs. J. J. Root.

Mr. and Mrs. Mark Chipman and family of Raymond were Sunday visitors at the home of Mr. and Mrs. Gordon George.

Miss Rita Watson of Lethbridge spent the weekend at the home of her parents, Mr. and Mrs. W. A. Watson.

George Lawrence is a patient in St. Michael's Hospital in Lethbridge, having undergone surgery on his leg.

Mr. and Mrs. Gordon George visited in Claresholm and Calgary last Wednesday and Thursday.

Russell McLeod of Didsbury was in the district for a few days last week.

Mr. and Mrs. Ivan Steeves visited in Calgary on Sunday at the home of their daughter and son-in-law, Mr. and Mrs. Raymond Croteau.

Blackie News

BLACKIE

The Blackie rink of Ted Percival, skip, Ted Seney, third, Doug Lindquist, second and George Bayford, lead, have won the right to represent district No. 6 in the Brier playdowns in Calgary. They played in Champion last weekend and were winners of the B section. The Aubrey Gore entry from Milo won the A section. One of the two games between the winners was played in Champion with winner being Percival. The second was played in Vulcan during the week, Percival again winning and thus taking district honors over the seven other teams competing in Champion.

Following the Bible study of the CGIT at their regular meeting on Thursday, the girls retired to the rink for a birthday skating party. After skating the girls enjoyed supper and games.

Twenty one games of bingo were played in the IOOF Hall on Saturday evening and though there was a small crowd in attendance, everyone seemed to enjoy the evening.

Members of Fairview Rebekah Lodge entertained their husbands,

the Oddfellows and wives at the annual whist party held Monday evening following the regular meeting. Winners were Mrs. Calvin Johnson, ladies high and Don Shultz, men's high; Mrs. Vern McKeage, ladies low and Chet Gillanders, men's low. Rodney Johnston was the lucky winner of the cup and saucer draw. Lunch was served to conclude the evening.

Mrs. Catherine Crow of Barons has been visiting here at the home of her daughter, Mrs. Jim Andersen.

Congratulations are extended to Mr. and Mrs. George Shultz on the birth of a daughter in the High River Hospital on Friday.

Weekend guests at the home of Mr. and Mrs. D. McDougal were his brother-in-law and sister, Mr. and Mrs. Herman Stettner of Benalto.

The Canadian Cancer Society is showing a film and giving a talk on Monday, Feb. 10, at 9:00 p.m. in the IOOF Hall. It is hoped that the public will take advantage of this information and attend. They will also be visiting the school in the afternoon of that day and it is understood that the latest in-

formation on cancer will be the subject of the program.

Friends of Scotty McCallum, who is a patient in the High River Hospital wish him a speedy recovery.

Mrs. Jim Stier was a winner of a prize in the first event of the Vulcan Ladies Bonspiel, when she entered the competitions with her sisters from Calgary and Vulcan.

In senior basketball, both local teams were victorious over hosts at Okotoks on Friday evening. The boys score was 61-39 with top scorers being Bob Seney for Blackie, Danny Wallace for Okotoks. The girls score was 37-20 with top scorers being Sheryl McWilliam for Blackie, Brenda McNeill and Anne Duckmanton tying for Okotoks.

Miss Shirley Brackley is home for the weekend. Miss Brackley is president of the new Stettler chapter of the Nursing Aid Association and has just recently been elected

Dated this 29th day of January, 1964.

D. D. McQUEEN,
Secretary-Treasurer

MR. AND MRS. NEIL S. CAMPBELL

Former Vulcan Residents Celebrate Golden Wedding

Well known former residents of Vulcan, Mr. and Mrs. Neil S. Campbell were guests of honor at the Swinton Park, Ontario, Orange Hall on the occasion of their golden wedding celebration.

The gathering to honor the highly regarded couple included relatives, friends from near and far and several present and former members of Grey County Council.

Chairman for the gathering was Stanley Acheson, road superintendent of Proton Township, a former reeve of the township for many years and one-time warden of Grey County.

Five addresses were read to the couple who were presented with a breakfast suite in bronze complete with flowers, and a tri-light lamp. Farquhar R. Oliver, M.P.P., presented a plaque from the Ontario Government.

T. S. Cooper read an address from Centre Grey Hospital board of Markdale, of which Mr. Camp-

bell has been a member for several years. Herb Timmins, president, presented Mrs. Campbell with a pot of 'mums'.

Harr Martin, Reeve of Proton Township, read an address, extending best wishes from the Council and officials, Mr. Campbell having served for three years as reeve, two years as deputy-reeve and several years on council.

Carman Werry of Dundalk, a former reeve of Dundalk and a former warden of Grey County, read an address from county councillors.

Mrs. Delbert Haw read an address from neighbors and friends. Mrs. Mel Long from the family, including brothers and sisters of both celebrants, nieces and nephews. George Black read an address from St. Andrew's Presbyterian Church, where Mr. and Mrs. Campbell have been active and Mr. Campbell a member of the choir and board of management. A hymn book was presented to the couple. All the other organizations pooled their contributions to present the breakfast set and table lamp.

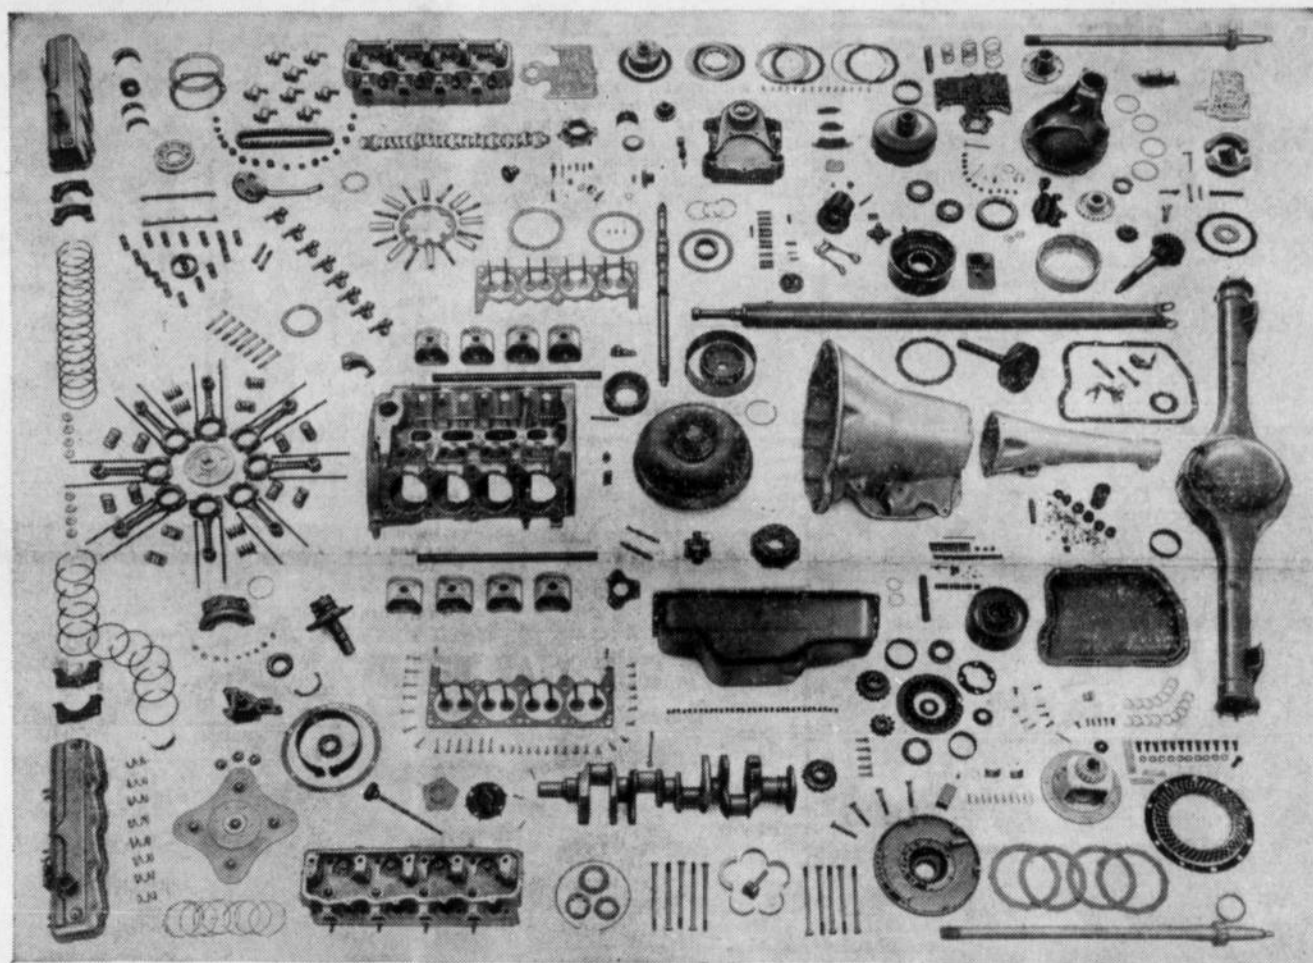

High tribute was paid to Mr. and Mrs. Campbell for their public spirited and whole hearted efforts in church, community, township and county affairs. In replying on behalf of himself and his wife, Mr. Campbell said he was "overwhelmed" by the many evidences of good will.

The couple were married by Rev. J. A. Leese on Jan. 21, 1914, at the home of the bride's parents, Mr. and Mrs. John McNalty, Con. 16, Proton. Mrs. Campbell was the former Edith McNalty. They resided at Vulcan, Alta, before returning 27 years ago to the farm in Swinton Park district where Mr. Campbell was born. Mr. Campbell was a son of Mr. and Mr. Donald Campbell.

The couple have one son, Gordon, of Fort Erie, and one daughter, Ethel, Mrs. Douglas Hawkins of Green Cove Springs, Florida, the latter of whom flew home to attend the celebration. Gordon and his family were also present. There are five grandchildren: Pamela and Cathy Campbell; Douglas, Robert and Ruth Hawkins.

Adding to the pleasure of the occasion was the presence of the "bride's" brother and sister, Roy McNalty and Mrs. Fred Fell, (Mamie) of Salem district, and the following members of the groom's family: Isa, Mrs. Wilson Oldfield, Vulcan, Alta.; Flossie, Mrs. Sam Goheen, Oakville; Jessie, Mrs. Robert Black and Miss Margaret Campbell of Toronto and Herb Campbell of Oakville.

Lunch and dancing completed a happy evening.

EVERY PART IN THIS PICTURE ON EVERY NEW Plymouth, Dodge, Valiant, Chrysler & Imperial car and Fargo & Dodge truck IS BACKED FOR 5-YEARS OR 50,000-MILES!

This outstanding warranty covers defects in parts or workmanship in the power-train—that's the engine and all internal parts, water pump, intake manifold, transmission, torque converter, drive shaft, universal joints, differential, rear axle and rear wheel bearings. And it includes both parts and labour. It is honoured by every Chrysler Canada Ltd. dealer.

All you need to do is have the oil changed every three months or 4000 miles, the oil filter replaced every second oil change, and the carburetor air filter cleaned every six months and replaced every two years—and have

these services validated semi-annually by your Chrysler Canada Ltd. dealer—in other words . . . just normal car care.

This exclusive warranty comes with every 1964 Plymouth, Dodge, Valiant, Chrysler and Imperial car, and Fargo and Dodge truck. A warranty tells you two things about a car and truck manufacturer: the confidence he has in the way his product is built; the concern he feels for those who buy his product. Only Chrysler Canada Ltd. dealers offer you this kind of confidence and protection. Don't settle for anything less!
